Dr. S.J. Jahagirdar Dr. S.M. Desai Dr. Sirajuddin

Seminar Co-Ordinator:

Prof. Abubakr Momin

Mob: 09342276857

Message:

Dear patrons, It gives us an immense pleasure in inviting you to the One Day International Seminar on the theme of "**Socio-Cultural and Economic Condition of India (Ancient-Modern)**" organized by **Deccan Studies and Historical Research Association, Bijapur**, in collaboration with **Anjuman-e-Islam's Anjuman Arts, Science, Commerce and P.G. Studies, Vijayapur**. The seminar is on Sunday 25th February 2018.

About the Association:

In the year 2013 we have established an Association by name Deccan Studies and Historical Research Association. Previously we have successfully organized two day National Seminar with collaboration of Karnataka State Womens University, Vijayapur in the year 2013, which was inaugurated by a German scholar, and recently in the month of November 6th, 2016 another National Level seminar, was successfully organized at Secab ARSI College for Women, Vijayapur. In the month of February 26th, 2017 1st International Seminar was successfully held at Karnataka State Womens University, Vijayapur on the topic of "Status of Women in India". The aim of our association is to provide a platform to the scholars and helping in their academic publications. Hence the Regional Studies in Indian Universities have concentrated on teaching, while research in the Social Sciences and Humanities has been largely neglected, except insofar as individual scholar has chosen to undertake research in the fields of their choice. One reason for this is the lack of an inter-disciplinary and policy-oriented approach. There is an urgent need to policy makers to make available a comprehensive body of knowledge to enable them to choose one of which they are exposed. Moreover, the problems of the present can be understood only in the light of the Geographical and Historical context of the region and various groups and intellectual forces which played a role in its past.

About the College:

In the historical city of Bijapur, with the able efforts of the management members of Anjuman-e-Islam, the faculty of Arts started in the year 1972. It was humble beginning, today it is a full-fledged college having all the three faculties of Arts, Science and Commerce. This college has galaxy of faculty, academically resourceful, committed with high amount of professional competency. This college provides well sensitized academic ambience for the cause of quality education. The college has good Library, well-equipped Laboratories, Computer Lab, Network Resource Centre, Counseling Cell with internet facility, large playground, healthy atmosphere and ever-growing students strength.

Objective of Seminar:

This seminar will be serving dual purpose; firstly, it will be our objective to enrich the knowledge of the academicians through interaction with each other and to highlight Socio-Cultural and Economic Condition of India (Ancient-Modern).

Secondly, in this event some suggestions would be given by the experts for positive reforms towards Socio-Cultural and Economic Condition of India (Ancient-Modern).

Theme of Seminar:

The seminar will focus on objective of "**Socio-Cultural and Economic Condition of India (Ancient-Modern)**".

The seminar topic is of multi-disciplinary it covers many sub-themes from various subjects such as;

History, Political Science, Sociology, Social Work, Religion, Women Studies, Linguistics, Economics, Trade and Commerce, Arts and Architecture, any other topic related to Social Sciences and Humanities etc.

Call for Papers:

Quality research papers are invited on any one of the above related themes. Not only scholars, Enthusiasts of Social Sciences and Humanities also can be participate in this event. The paper should be in MS word format in around 1400 words, text type "Times New Roman" in 12 font size with heading in 14 font size, 1.5 line spacing and 1 inch margin on all sides. Reference should be given at the end of the paper. Each paper should include a cover page indicating the name, title, affiliation and detailed postal address. Paper must be original and unpublished. In case of other language papers, should be submit in the form of PDF. Authors are informed to send their full paper before 31st January, 2018.

To the e-mail: Intersem2018@gmail.com

Publication: The papers reviewed and selected by editorial board and will be publishing with ISBN in the form of e-book PDF Format (CD). Shall receive the e-book CD on same day i.e. 25th February, 2018

Note: All accepted papers will be published in e-book with ISBN. Participants registering before 31st January, 2018 shall receive the e-book CD on same day i.e. 25th February, 2018. Those registering thereafter shall receive e-book after March 2018 through e-mail or Whsaap.

**One Day International Seminar on
“Socio-Cultural & Economic Conditions of India”
is Postponed to 4th March
Instead of 25th Febraury, 2018
Due to the Government FDA Exams**

Note:

Last date of Registration is 20th Febraury.

**One Day National Level Seminar on
Insights on CBCS & MOOC
in Higher Education**

Date: 28 June 2019

Venue : Conference Hall, St Agnes College (Autonomous)

ORGANISERS:

AMUCT (Association of Mangalore University College Teachers) A united front weighs heavily in our pursuit of getting things done compared with a single, individual entity. That is the *raison d'être* of any association. Of late, the education sector got modified to accommodate sweeping changes. Attitude towards and approach to education have changed so vehemently as to make it world-class in terms of access, content, diversification and justice. The wave of change began wafting across vigorously in 1980's and elite Teachers Associations were in the pan India horizons. These Associations charged themselves with the responsibility of providing suggestive feedback on perspectives of higher education to the policy makers, going all out about enhancing the qualities of education, it's effective delivery and safeguarding the interests of the students and the teachers.

AMUCT was brought into being in 1985 apropos of the objectives of the other Associations at the state and the National levels. A registered entity AMUCT represents the teachers in colleges affiliated to Mangalore University. It is also affiliated to All India Federation of University and College Teachers organisation (AIFUCTO) and Federation of University College Teachers in Karnataka (FUCTAK).

For the past 34 years, AMUCT has spared no effort and opportunity to serve the noble cause of education. On umpteen occasions it has made its presence felt in representing and resolving student-centred and Teacher-oriented issues. It has used it's good offices to prevail upon authorities concerned when the policy matters threatened to be detrimental to the student community and teaching fraternity.

Apart from the advisory and representative role, AMUCT has contributed immensely by organising awareness programmes, workshops, symposia and seminars for the benefits of the students, teachers and the public in general. Thus it has contributed in its unique way for the propagation of quality education.

ST AGNES COLLEGE (AUTONOMOUS) MANGALURU, KARNATAKA is a premier Catholic Educational Institution founded on 2 July 1921 by a great visionary - Mother Mary Aloysia, the Second Superior General of the Apostolic Carmel Congregation. It was the first women's college on the west coast of India, and the first under private management in the whole country. The College promotes sound academic, social and family values that make for continuous internal upgradation, especially in the areas of teaching and learning, research and publication, faculty improvement and extension activities. The College has been accredited by NAAC with 'A+' with a CGPA of 3.65/4 in the fourth cycle. The college has also been awarded 'College of Excellence' by UGC, New Delhi and has received 'Star College Status' by DBT, MST, Govt. of India. In 2020-21 the college celebrates its Centenary year.

ABOUT THE SEMINAR

The need for quality education in nation building activities can hardly be exaggerated. Though integrated personality development is the base objective of education, the role it plays in the field of employment and in tackling livelihood issues cannot be discounted. Hence premier education enjoys a premium in the present time. Nations that could make good education available to the young, have realised attitudinal change, an enviable Human Development Index, cutting-edge technology and blinding material prosperity. There is a symmetrical and symbiotic relationship between top-notch education and all round progress.

As education is a catalyst of employment, it should facilitate skill formation, for, the modern ecosystem of employment demands knowledgeable and skilled personnel.

Moreover, the issues confronted by the modern world are as varied as environment, technology, International relations, world resources and multi-lateral trade. For the redress of these challenging issues, qualified and able human resources are the need. Therefore, the education system is to be attuned to the demands of the time. Upgraded education system with CBCS, MOOC, adoption of new education technology etc. will come in handy in this regard.

Keeping this perspective in mind, the AMUCT in association with St. Agnes College (Autonomous), Mangalore has set out to organise a National Level Seminar on "Insights on CBCS and MOOC in Higher Education System". This essay will prove to be of immense relevance and use to the professionals and the Teachers in the Higher Education sector.
