## **REPORT ON AWARENESS CAMPAIGN OF AIR POLLUTION**

Date: 02<sup>nd</sup> December, 2022

Time: 11:00AM

Total Participants: 50

Place: Station Road SSRG Women's College, Raichur.

The SSRG Arts and Commerce College for Women, Raichur conducted Awareness Campaign on Air Pollution on 2<sup>nd</sup> December, 2022. The campaign began at 10 am with students from B.A. & B. Com. Total 50 students are actively participated in Awareness Campaign. The programme was conducted in the college quadrangle. The event kicked off with a graceful dance which moved on to depict the relationship between mother earth and humans. The choreography made the students aware about the consequences of the human actions in exploiting the Earth's resources. Earth was correlated to a parent who forgives and continuous to provide irrespective of every cruel act the child has committed. The increase in pollution, dumping of wastes and overexploitation are major causes for natural disasters.

Pollution awareness campaign started from 11:00am onwards and all the Eco Club volunteers were gathered at the main gate. All the volunteers first started the awareness campaign on the road. A policeman was standing on the road and making safety first priority volunteers coordinated with the policemen. When the lights were red Students along with policemen started campaigning for the people on Road. Students aware people to keep their vehicle off while you are waiting on the red light. Students also promoted the method of carpooling and how it will benefit them to save money as well as it will be more effective when we talk about nature. After the road campaign volunteers were directed to the college campus to make students aware about how to prevent pollution. All the students had a wonderful time with this awareness campaign. They departure at around 1:00 pm. The campaign was really educational and informative. We hope that the students developed some memorable experience for them.
