Report on

Career Guidance Programme

Career guidance plays a very important role in the lives of all individuals specially in youngsters, as it helps in setting future goals and choosing careers. Career guidance is much-needed service to those who did not plan for their future at an early stage; more should be done to assist the younger generations in personal career development. When college students have a clear grasp of their greatest job options, they may plan better, proceed faster to higher education, and contribute to a more productive society in the future. Shri. Manjunatha T M, Mounesh R Y and Smt. Savithri Maski, SGT College, Ballari is contributing to this by holding career counseling seminars for graduate students.

Objectives of the programs organized by the college:

A range of workshops and seminars are organized to help students understand various career prospects, the procedures for applying for those occupations, and various competitive tests, as well as the necessity of having a goal, passion, and hard work to attain the desired objective.

To provide the students of the various department a platform to resolve their queries and inhibitions related to these national/ state level competitive exams.

To prepare students for successful job interviews.

Activities conducted:

Under the heading of Guidance for competitive examinations and career counseling. various departments, committees, and associations of the College have organized several workshops, seminars, and talks to benefit the stakeholders about their career options and also provided them guidance for

Competitive examination as per their requirements for a variety of exams including IAS/KASNET, SLET, UPSC, MPSC and many more competition Exams. Total 190 students benefitted from the conducted career guidance for competitive examinations and career counseling sessions organized.

Student Welfare Officeorganised several activities during the year 2021-22 with a clear objective of motivating and inspiring the students to achieve their career goals. Activities of this academic year included lectures by eminent scholars, motivating classes, personality development programmes, soft skill development programmes and pre-placement training. The programmes provided platform for the students to enhance their skills such as; leadership, self-confidence, team building, time management, effective communication, conflict management and cognitive ability.

At the end of the session the students cleared their doubts by asking various questions regarding the confusions, they usually face while deciding their career. The program ended with a powerful vote of thanks by the faculty member.

All the 190 students were highly motivated and enlightened about various opportunities after completing their Course. It was a very informative day for the students and faculty members who attended the session.
