## A REPORT ON 5 DAYS SOFT SKILL TRAINING & PLACEMENT PROGRAM

SSRG women's college, Raichur has organized soft skill training 5 days programme on **05/12/2022 to 10/12/2022** the resource person addressed Sri Samuel Jhons, TCS Consultancy, Training officer explained the soft skill is a term often associated with a person's "EQ" (Emotional Intelligence Quotient), the cluster of personality traits, social graces, communication, language, personal habits, interpersonal skills, managing people, leadership, etc. that characterize relationships with other people. Soft skills contrast to hard skills, which are generally easily quantifiable and measurable. In this cosmopolitan world we are in a mad race to achieve professional accomplishments. Industries are flourishing and they are doing aggressive business with the greater world. Our students happen to be a part of this mad race and so we want them to combat with all the obstacles in their life. To meet the requirements of this globalised world every student should have a strong command in English and should be adept in Soft Skill along with hard skill. Attitude and positive energy is what the industry needs which is impossible without proper soft skill training.

English Department is associated with Soft Skill development programs across all streams from 1 to 3<sup>rd</sup> year from the inception of the college. Our college proclaims to have a very good infrastructure to impart this training. We have two specified Language Labs to conduct specialized Soft Skill Training which includes Communication, Personal narratives, Grammar and Vocabulary
