**DEPARTMENT OF ENGLISH****2021-22****A Brief Report of One Day Work Shop on****"Communicative Language and Teaching"**

The Department of English, S.S.R.G. Women's college, Raichur organized One Day Work Shop titled "**Communicative Language and Teaching**" on 15-12-2021 in LH-7. The Lecture was delivered by **Sri. Ranganath**, Assistant Professor, Govt. First Grade College for women, Raichur. Total 30 Students from of B.A Students Participated along with faculty members. The session was organized through offline mode in Seminar Hall.

Sri. Ranganath started lecture about the communicative language teaching can be an activity that has students discuss their favorite sport. CLT prioritizes the individual needs and interests of students, so having students group together or pair together to discuss their favorite sport can have them practice speaking the new language regarding something that they are passionate about.

Communicative language teaching integrates reading, writing, and speaking, which can have students practice multiple skills at once. It also uses groups or pairs for activities and tools and technology to create a more individualized learning experience for students, which aids their language learning abilities, such as their fluency in the language.

There are various benefits to CLT, such as it being holistic and engaging. Students who can discuss their favorite things may feel more passionate in speaking to others and out loud instead of speaking about something that is not as engaging to them. CLT is also a learner-centered approach, in which activities are focused on and driven by students instead of teachers.

At the end of the session for 1 hour with Q&A session from the students & faculties. Sri. Ranganath, Assistant Professor, Govt. First Grade College for Women, Raichur, responses to all the queries of the students. Smt Gouri Pallakki HOD, Department of English presented a vote of thanks to the speaker.
