Sub : Submission of feedback analysis report about the existing curriculum of Karnataka State Akkamahadevi Women's University

Respected Sir,

Greetings of the day!,

As a part of the quality assurance initiative , IQAC collects feedback on the curriculum, teaching-learning process and ambience of the teaching-learning facilities , from various stakeholders such as students / Teachers/Alumni and Employers for improvement in curriculum delivery and development process.

We have carried out a systematic analysis of the feedback obtained on the curriculum from various stakeholders. We want to present the following opinion of the stakeholders for future curriculum development & revision process at the University.

1. Numerical subjects are very hard so suggested to add more theory in syllabus.
2. Syllabus should be more interlink with one another chapter especially in practical subjects .
3. Syllabus should include the topics relating to competitive examinations and employment ability skill.
4. IT skill courses should include in Arts & Commerce programme.
5. In B.Com. Commerce related programme should be provided such as Digital Marketing, Finance, Accounting etc.,
6. More open elective options to be provided to encourage interdepartmental and interdisciplinary learning.
7. University approved Add-on course to be introduced.

Thanking you

Yours faithfully
