Report of the Webinar

An investor awareness webinar was organised on 03-07-2023 jointly by Association of Mutual Funds in India (AMFI) and Soma Subhadramma Raman Goud Women's College, Raichur on "Financial Empowerment through Wealth Creation".

The webinar was inaugurated by Shri. Amaregouda S. Principal, He given some information about financial empowerment.

Shri Surya Kant Sharma, Senior Consultant AMFI, who was keynote speaker in the webinar at the outset touched upon the importance of financial security of individuals. He emphasized that an investor should first think and ensures adequate life insurance, reasonable medical insurance cover and an emergency fund before embarking upon the journey of wealth creation through sustained investments which is most essential for prosperity. He then made a vehement plea for regular savings and increases of savings every year minimum by 10%. He then dealt in detail on the need for wealth creation for prosperity and emphasised that investors should not be money accumulator but wealth creator which only would make them comfortable with regard to their money needs for their milestones in life.

He then advised participants that they should look at real return and not on notional return as inflation and tax liability substantially takes away major portion of notional return. He cautioned participants that most of the investments except in governmental schemes have risk but risk can be managed by simple formula - **Think, understand and invest**. He also emphasized the need to have financial planning of their families in place for focused investment and also the need for practicing rule of compounding in investments for higher return in long run.

He then shared basic information on various investment avenues available in the market viz. Government/RBI bonds, corporate bonds, Government schemes (Post office schemes, PPF, NPS, Sukanya Samriddhi Scheme, securities market etc. real estate, gold and securities market. All these avenues are different and have distinct features and investors should investment their hard earned money according to his/her risk appetite and time horizon of investment.

Shri Sharma cautioned general investor not to enter into securities market directly as there are inherent risks in the market and unless the investor have sound knowledge of market, sectors, economy, international economy etc. he should desist from entering into the market directly. Instead, mutual funds are the best option available for general investor wherein he/she can invest a minimum amount of Rs.500/- through Systematic Investment Plan (SIP) and built a good corpus over a period of time. He also mentioned that in mutual funds there are number of shames as per risk apatite and time horizon of investors. There is a wide spectrum of mutual funds schemes ranging from equity funds to debt funds to exchange traded funds which can be chosen by an investor as per his risk apatite and investment horizon.

At the end, he emphatically cautioned participants not to invest their hard earned money on the advice of others including agents and ***never never in unregulated fund mobilisation schemes – Ponzi scheme, chit funds and committees etc. - which give assurance for higher and quick return at the beginning but ultimately vanish with the hard earned money of investors.*** Not so affluent class of investors are more susceptible to such allurements and we all have a social responsibility to make them aware about the menace of such schemes and impress upon them not to invest their money in such schemes. He also informed that as per a survey, investors have lost more than ten lakh crores of rupees in such unregulated fund mobilisation schemes.

After this, there was a session on National Pension Scheme (NPS) where features of NPS were shared by the invited speaker.

After the sessions, a question answer session was made open for the participants and participants asked lot of questions on personal finance which were satisfactorily answered by the experts.

At the end of the webinar Shri.Sanjaya Pawar, HOD Department of Commerce S.S.R.G Women's College, Raichur gave votes of thanks.

A Brief Report on One Day Workshop on

“Halegannada Kavyagalu Odu”

Soma Subhadramma Raman Gowd Arts and Commerce College for Women, Raichur organized one-day workshop on “Halegannada Kavyagalu Odu” on 20 June 2023 Mr. Alappa Naik, Assistant Professor & HOD Department of Kannada, SSM Degree College, Raichur, was the resource persons of the Programme.

He spoke about the current degree Students who are studying in classes should practice easy reading order without thinking that Halagannada Kavya is difficult. Comprehension of Old Gnada poetry is possible only when read step by step. He said that if you ignore it because it is difficult to read, you will lose the joy of reading Halagannada poetry. Reading interpretation and comprehension of ancient Kannada poets like Harihara, Raghavanka etc. is important for today's students. He said that after practicing Keshiraj's Shabdmanidarpana before practicing Halegannada poetry, one can read other ancient poems easily. The purpose of this workshop is to create a pro-life group of young people who know the meaning of reading Halegannada poetry and in this regard, the workshop has been organized. He told the students to take advantage of it.

More than fifty of first year and second year students including IQAC Coordinator Sanjay Pawar, Vice Principal Dr. Venkatappa Naik, Senior Professor Sanna Veerana Gowda, Dr. Rajeshwari, Giriappa Naik, participated in the workshop.

Unified University and College Management System is one of the flagship programs of Government of Karnataka and Higher Education Department. Karnataka is the first state in the country to implement the New National Education Policy.

UUCMS will centralize and unify all universities and colleges, computerize the functioning of Higher Education in institutions by providing various information to all under one system as well as performance of research, assessment, academic performance, curriculum, Lesson planning, classroom monitoring, student attendance, and other activities from the day teachers join the institution. UUCMS system is integral part of NEP.

The staffs of the college was guided to get the comprehensive information about the Admission, Tests and all the stages of Graduation of the students can be handled within the single system of UUCMS. Sri. Ambapati Patil, Advocate, Incharge General Secretary of Taranath Shikshana Samsthe, as the chief guest for the program. He addressed the workshop is very important and computer has brought a big change in the field of Education and in our life since the implementation of NEP. The functions of higher education have been computerized because it is necessary to know about UUCMS. He instructed to get information from the resource persons and solve the doubts relating NEP.

Sri M Basappa Tippareddy, Chairman, Managing Committee, presided over the program. He addressed in the presidential remark, that it is the responsibility of every educational institution to know about the comprehensive university and college management system. He advised all the Principals, office staffs and coordinators of colleges should take advantage of this Administrative programme. Sri. B. Devareddy, Administrator Taranath Shikshana Samsthe, Raichur-584101, Principal Sri. Amaregowda S were present on the dias.

Report on

A one-day workshop on "Skill Development for Economists"

A one-day workshop on "Skill Development for Economists" was organized by the Department of Economics on 01-08 2023. The session was led by the Principal, Sri. Amaregoud S. The workshop coordinate by Dr. Venkatappa Naik. The main resource person was Smt. Roopa, Assistant Professor, LVD College, Raichur and Dr. Venkatappa Naik, Assistant Professor & Head of the Economics department and Vice-Principal.

She explained skill Development means developing the skill sets to add value for the organization and for our own career development. Continuously learning and developing one's skills requires identifying the skills needed and then successfully seeking out trainings or on-the-job opportunities for developing those skills.

She thoughted **(70-20-10 rule)** 70% of your development should come from on-the-job activities and action learning. This can include development experiences like managing a project, serving on a cross-functional team, taking on a new task, job shadowing, job rotation, etc. 20% of your development should come from interactions with others. This includes having a mentor, being a mentor, coaching, participating in communities of practice, serving as a leader in a staff organization, etc. 10% of your development should come from training, including classes, seminars, webinars, podcasts, conferences, etc.
